

Say goodbye to queuing with the Fusion Mobile app!

We are excited to share with you our pre-ordering service that will allow you to purchase items from your school canteen using your mobile phone. Say goodbye to queuing with the Fusion Mobile app!

Getting started

Download the app

You can download the app by scanning the relevant QR code for your phone, or by searching 'Fusion Mobile' on your app store.

If you have problems finding the app, head on over to <https://connect.crbcunninghams.co.uk> for the download links.

Create an account

After you have downloaded the app, you will need to create your account that can be used to pre-order your food. On the login page, tap on the **Sign-up** option. You will need an onboarding letter from school to continue. This is a unique letter created for each student which has an onboarding code in both QR code and text format. If you do not have an onboarding letter than please contact it@carnforthhigh.co.uk with your child's details so a copy can be emailed to you.

Once you have the onboarding letter then click on the **Scan Code** button and follow the on-screen instructions to scan your **onboarding code** below or simply type it in.

Now, enter the e-mail address that you want to use for your account. Enter a password and choose a security question, providing an answer that you will remember (You'll need this if you ever forget your password).

Tap on the **Register** option and you'll receive an activation e-mail shortly afterwards. Follow the instructions in the e-mail to complete your registration.

Once activated, you can log into the app and start placing orders!
