## Easter Revision Sessions

### Instructions for pupils:

- If you would like to attend a revision slot, see your teacher to sign up for the session.
- Some of the revision sessions may only be available for a particular class. For example, Miss William's trilogy science is **ONLY** for her science group. If you are unsure, please go and see the teacher and check.
- On the day, **you will need to check epraise to make sure the session is still running**. A large number of staff have been absent with Covid over the last two weeks. We want to ensure that you do not make an unnecessary journey to school in the case of staff absence. If a teacher is ill, they will cancel the session on epraise. Similarly, if you would like to attend a session that you have not signed up for, message the teacher on epraise to check if you can attend.
- You **DO NOT** need to wear school uniform!
- When you arrive at school, you will need to sign in on the paper sheet left out in reception, and then ring the bell to be let in. On leaving, you will need to sign out on the same sheet.
- There are expectations of behaviour and engagement during the sessions. You are expected to arrive on time, follow all instructions and complete all the activities.
- Pupils are expected to stay for the whole session. If you need to leave early, you will have to bring a note from home. This is to ensure that your parents are aware of your whereabouts at all times.
- We are running a 'Revision Loyalty Card' scheme. For each session you attend and engage fully with, your teacher will sign a section of your card. Each signed section is worth £1 off your prom ticket, up to a maximum of £10. The loyalty cards are available from Ms Newson and Mr Howarth and need to be returned to them following the Easter holidays.
