## CONFIDENCE PURPOSE RESPECT

### Key Message

Year 11 are coming towards the end of their school career; the finishing line is in sight. Pupils have a final few months of school to work towards the grades required to take them forward into the next stage of their life.

Sacrifices will need to be made over the coming weeks to create the time to fully prepare for GCSE exams. They **WILL** have less time to spend on leisure activities/ socialising/ gaming and work commitments. They **WILL** need to work hard. They **WILL** need to do some revision every day. But it is only temporary.

By mid-June, the exams will be done. If the right preparation has been completed, then the GCSE grades achieved will be carried forwards for the next 40+ years of their lives, regardless of the subjects or career they choose to pursue next.

Work hard, keep focused, put in the preparation for the GCSEs. Make sure that come August there are no regrets!

### In-School support

There is extra help and support available every day for all pupils. Ask your teacher if you'd like to attend any sessions.
