### Guidance for Exams

- All exams will take place in the sports hall, unless stated otherwise
- Please arrive 5 minutes before your exam and wait on the top yard for further instructions.
- You will be directed to enter the exam hall class by class. Mobile phones must be placed in the pouches provided
- You will be told where to put your bags and coats once inside the exam hall.
- Once inside the exam hall you are not permitted to talk to or communicate with other pupils.
- Water bottles are permitted in the exam hall, but they must contain water only, and cannot have any labels on them.
- No electronic devices are allowed in the exam. If an electronic device is found in the exam, then your paper may be disqualified.
- All watches must be removed and placed in bags before the exam starts.
- Please make sure you turn up to each exam with all of your equipment in a **clear plastic** pencil case (black pen, pencil, rubber, ruler, calculator, protractor & compass). Any additional equipment required such as tracing paper will be provided.

### Revision

- By now you should have started a structured revision programme and should be doing some revision most days.
- You will also be issued with a revision guide for the February Mocks
- All exam information is available on the school website.
