Year 7	Content, Knowledge & Skills	Human Questions. Students are introduced to some of the key 'human questions,' such as 'is there a God?' and 'Does anything happen when we die?' etc. that form the core of many systems of religious belief but also the human experience. Students develop the ability to analyse arguments around philosophical claims.	Christian Beliefs and Teachings 1. Students learn about the development of religion from polytheism to monotheism and then study key beliefs within Christianity, including the nature of God, the trinity and Jesus as the incarnation of God. Students	Christian Beliefs and Teachings 2. Students study the life and teachings of Jesus, considering his role as the incarnation of God, his death and resurrection and the influence of his life and teachings on Christianity and the world more broadly.	Muslim Beliefs and Teachings 1. Students study the nature of God within Islam and the way in which this is similar or different to the Christian view, as well as beginning to study the six articles of faith followed within the majority of Islam.	Muslim Beliefs and Teachings 2. Students complete their study of the articles of faith and consider the place of prophethood in Islam, culminating with a study of the life and teachings of Muhammad (PBUH) and his influence on Muslim thought and practice.	Hindu Beliefs and Teachings. Students complete an assessment to show their progress over the year and study the role of the Trimurti at the core of Hindu belief about God and the role of Karma, Dharma and Moksha.
	Prior Knowledge	Students have studied world religions at KS1 and KS2 but often at a surface level. The early baseline assessment indicates their level of knowledge.	Students have developed an understanding of the core questions that religion is 'built around.' They have also considered the way in which monotheism developed from	Students can now understand that Jesus <i>is</i> God within mainstream Christian thinking, and therefore be able to understand more fully the impact of his life and teachings.	Students have studied one monotheistic approach through Christianity and can now see a different approach, in which the concept of how to perceive one God is very different.	Students have studied Jesus as a leader and as the incarnation of God in Christianity and can now understand the different approach to both God and leadership within	Students have studied the beliefs and teachings of monotheistic faiths, which enables them to now contrast this approach with the polytheistic view within Hinduism.

Year 11	Content, Knowledge & Skills	Theme 2: Life and Death. This unit looks at the world, the origin and value of human life and beliefs about the afterlife. Here students also need to consider a different skill set to apply to the '(d) discuss' questions with the requirement to discuss non-	Theme 3: Good and Evil. This unit looks at the way in which society and religion attempt to define good and evil. Students will analyse the difference between crime and sin and be able to evaluate the way in which society treats offenders.	Theme 4: Human Rights. This unit looks at the impact of the human rights movement and its work towards eliminating forms of prejudice and discrimination, such as sexism and racism. Students will evaluate the extent to which religion supports these moves.	Muslim Beliefs and Teachings. This unit looks at the Nature of Allah, prophethood, angels, akhirah (the afterlife) and foundations of faith. In many cases there is direct correlation to Christian Beliefs and Teachings.	Muslim Practices. This unit looks at the Five Pillars of Sunni Islam, the Ten Obligatory Acts of Shi'a Islam, Jihad and festivals and commemorations in Britain and elsewhere.	EXAMS COMPLETED. Exam in RE are always completed by the half term.
