Spanish Revision Activities

1. Vocabulary Flashcards

- Activity:** Use apps like Quizlet or make physical flashcards for key topic vocab (e.g., holidays, school, environment).
- Tip:** Include both Spanish → English and English → Spanish to strengthen recall.

2. Listening Practice

- Activity:** Listen to Spanish podcasts, songs, or GCSE listening clips. Pause and write down key words or phrases you understand.
- Tip:** Focus on numbers, dates, and common verbs—they often appear in exams.

3. Speaking Self-Recording

- Activity:** Pick a GCSE theme (e.g., “Mi familia” or “El medio ambiente”) and record yourself answering typical speaking questions.
- Tip:** Play it back to check pronunciation and fluency. Try to use at least one complex sentence and a past/future tense.

4. Grammar Drill

- Activity:** Create a verb conjugation chart for **present, preterite, and future tenses** of common verbs (e.g., tener, ir, hacer).
- Tip:** Test yourself by covering one column and filling it in from memory.

5. Past Paper Power Hour

- Activity:** Download AQA past papers and complete one section (reading, writing, or listening) under timed conditions.
- Tip:** After finishing, mark your answers and note any recurring mistakes.

“Champions keep playing until they get it right.”
