4th March 2026

Year 9 Options Information Evening

Dear Parent/Carer,

This year, we have used the **School Cloud** online booking system to allow families to book slots at their intended subject presentations, unfortunately we have had some technical issues with the system. These are now resolved these and we have relaunched the event on School Cloud.

This does mean that if you made a booking previously, **you need to rebook** on the new Options Evening event. Once again, apologies for the inconvenience this has caused for some parents; we very much appreciate your patience and understanding.

Event Details:

Date: Tuesday 17th March

Time: 5.25pm

Location: Carnforth High School

School Cloud booking opens: Wednesday 4th March at 4pm

The event will begin with a short presentation in the assembly hall at 5.25pm for the Options process to be explained. You will then attend the 4 subject presentations you have booked onto via School Cloud. **Please note that at least one of these presentations should be either History or Geography** (or both if your child prefers).

If you are unable to attend, materials will be shared with students, and support will be available through tutors and subject staff.

Should you have any questions ahead of the evening, please do not hesitate to contact the school. We look forward to your attendance.

Yours sincerely,

Acting Deputy Headteacher
Carnforth High School

Use the link above to access the School Cloud booking system. The event will appear on your home page (see below). Click on the 'Continue' arrow to make bookings.

Each of the option subjects will appear on the next page. There are four 15-minute presentation slots for each subject. Select a slot for each of the four subjects your child is interested in studying during Year 10 & 11.

Make sure you select each subject at a different time slot. For example, **don't** select Art for 17.45–17.55 and then History for the same time slot!
